Lindbergh Schools Invites Community to Tour Updated Truman Middle School During Annual SunCrest Fest Celebration

The school will be open for tours from 11 a.m.-1 p.m. on Saturday, Oct. 24

Lindbergh Schools invites the community to visit Truman Middle School during the annual SunCrest Fest celebration, tour the newly renovated building, and see firsthand how community support of Prop R 2024 is having a positive impact on student learning.

This event will include self-guided tours, opportunities to speak with student leaders, and a firsthand look at how the school renovations are supporting innovative learning experiences that prepare students for success.

What: Truman Middle School Community Open House
When: 11 a.m.-1 p.m., Saturday, Oct. 24
Location: 12225 Eddie & Park Road, St. Louis, MO 63126

NOTE: Parking at Truman will be limited due to SunCrest Fest road closures. Shuttle service is also available from Enterprise Bank and Trust, 3890 S. Lindbergh Blvd., if possible.

“We are extremely grateful to our community for supporting facility improvements that allow us to meet the ever-changing needs of our students and staff, and we look forward to sharing the improvements at Truman with Lindbergh residents,” said Truman Principal Dr. Mike Straatmann.

Truman Middle School construction was made possible by community support of Prop R 2024, a \$150 million no-tax-rate-increase bond issue proposal to upgrade safety and traffic districtwide, create equitable elementary school facilities, provide middle school renovations, and support construction of a PK-12 agricultural STEM learning center called the Lindbergh Farmers Club.

Truman Middle School Project Highlights:

- Complete floor-to-ceiling renovation of classrooms and hallways
- Conversion of old swimming pool to multipurpose and performance space
- Addition of four collaboration spaces to support student learning
- New science lab
- New main office and counseling office
- Consolidation of locker rooms to create space for new weight and fitness room
- Addition of central heating and air conditioning system
- Renovated library and design lab
- Makerspace for Gifted Education programs
- Therapy suite for student counseling support, funded by Children’s Service Fund
- New PALS (life skills) classroom with kitchen, accessible restroom, washer and dryer
